

Understanding and Breaking the Stigma Surrounding Young Adult Mental Health: A Presentation and Discussion on Early Psychosis

Tuesday May 25th, 2021

<https://www.eventbrite.com/e/understanding-and-breaking-the-stigma-surrounding-young-adult-mental-health-tickets-152722746847>

Laura Yoviene Sykes, PhD, psychologist at the program for Specialized Treatment Early in Psychosis (STEP) and Director of the Connecticut Early Psychosis Learning Health Network will lead a presentation and discussion on early psychosis.

Goals of the workshop include:

- ❖ Increase awareness and understanding of early psychosis
- ❖ Learn to recognize early warning signs of psychosis
- ❖ The importance of connecting to treatment
- ❖ Opportunity for Q&A and local needs assessment
