Laura Yoviene Sykes, PhD, psychologist at the program for Specialized Treatment Early in Psychosis (STEP) and Director of the Connecticut Early Psychosis Learning Health Network will lead a training and discussion on early psychosis.

Goals of the training include:

- ❖ Increase awareness and understanding of early psychosis
- ❖ Learn to recognize early warning signs of psychosis
- ❖ Develop awareness of assessment tools and strategies
- ❖ Connecticut Early Psychosis Learning Health Network overview
- ❖ Opportunity for Q&A and regional discussion

**Yale CME/equivalent available for eligible participants*
