

STEP FAMILY & COMMUNITY WORKSHOP SERIES: ***Strategies for Supporting a Young Person with Early Psychosis***

Presenters: [Laura Yoviene Sykes, PhD](#) – Psychologist at Yale’s Specialized Treatment Early in Psychosis (STEP) Program and Director of the [STEP Learning Collaborative](#)
[Michelle Worthington, MS](#) – Graduate Clinician at Yale’s STEP Program

Strategies for Supporting a Young Person with Early Psychosis

Wednesday, July 20th 5pm-6:30pm

This workshop is open to any Connecticut family or community member interested in learning skills to support and communicate with young people experiencing psychosis.

Goals of the workshop include:

- Increase awareness and understanding of early psychosis
- Provide general guidelines families can use to support young people with psychosis
- Demonstration of various communication strategies for interacting with people experiencing psychosis
- STEP Learning Collaborative overview
- Opportunity for Q&A

Register for **Strategies for Supporting a Young Person with Early Psychosis:**
